

Hope Lutheran City-Wide Garage Sale

Dear Hope Community,

The City of Port Coquitlam's City-wide garage sale gives residents a chance to declutter, make some cash and find a new home for reusable items. Held following Earth Week, the annual event is part of the City's ongoing waste-reduction efforts. Participants dispose of their unwanted items in an earth-friendly way, while benefiting from the additional bargain hunters drawn out by the large number of garage sales.

This year the garage sale will be on April 23, 2022 and Hope Church and School will be offering its parking lot for all families to sell their used goods. Here is how you can participate:

Rent a space and a table

Bring your used goods to sell in our parking lot for maximum visibility and traffic. Sign up for a spot using this [Sign Up Form](#) which contains all the details. Limited spots are available so don't miss out. Each space and table is available for \$20. Money raised from spaces rented will be donated to support Ukraine.

Come and browse for great bargains

This multi-family community sale will certainly see some great items on offer so come and join the fun. Sale runs from 9:00am to 2:00pm. No Early Birds.

For more information please email info@hopelcs.ca. We look forward to seeing you there.
